The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

AMENDMENT NO. 1 TO THE JOINT OCCUPANCY AGREEMENT FOR THE LONG BEACH COURTHOUSE (FOURTH DISTRICT) (3 VOTES)

SUBJECT

The recommended action will amend the Joint Occupancy Agreement between the County and the Judicial Council of California for the Long Beach Courthouse to subordinate it to a new lease agreement between the Judicial Council and the Redevelopment Agency of the City of Long Beach, and to make certain other changes to effect County occupancy in a new courthouse to be constructed in downtown Long Beach.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the recommended actions are categorically exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Approve and instruct the Chair to sign the Amendment No. 1 to the Joint Occupancy Agreement for the Long Beach Courthouse with the Judicial Council of California.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On June 19, 2007, your Board approved the Transfer Agreement for the Long Beach Courthouse, transferring responsibility for the Superior Court share of facilities operations at the Long Beach Courthouse to the Judicial Council of California, effective July 1, 2007. The Transfer Agreement also required the County to provide a Quitclaim Deed that, upon acceptance by the State, would transfer title for the Courthouse property from the County to the State. A Certificate of Acceptance was signed by the State on April 10, 2008, and the accepted Quitclaim Deed was recorded in the Official Records of the County Recorder's Office on April 15, 2008. Under the Long Beach Transfer Agreement, and all other court facilities transfer agreements, the County and the State share equity in courthouse properties based on shares of occupancy, notwithstanding which entity actually holds title to the property.

Meanwhile, on February 6, 2008, your Board approved an agreement for the transfer of the County's equity interest in the Long Beach Courthouse for a payment of \$5.9 million to the County, along with a contractual commitment by the Judicial Council that they would make at least 39,403 usable square feet of space available to the County at a substantially discounted rate in a new Long Beach Courthouse, currently expected to be completed in Fall 2012. This 39,403 usable square feet is the size of the existing County occupancy, but due to overcrowding, as well as the present housing of additional court-related County staff in nearby leased space, does not represent the County's full need for the Long Beach area; the County and the Administrative Office of the Courts (AOC), the staff agency to the Judicial Council, have worked together to ensure that plans for the new courthouse include sufficient space for the County's "justice partners" staff.

Concurrently with the approval of the Long Beach Transfer Agreement, the County and the Judicial Council entered into a Joint Occupancy Agreement, setting the terms and conditions for the shared use of the existing courthouse by the County and the Superior Court, along with the other State parties. Among those terms and conditions is the County's right to remain in the courthouse until the Joint Occupancy Agreement is terminated on mutual consent by the County and the Judicial Council.

Recently, the AOC negotiated a set of agreements with the Redevelopment Agency of the City of Long Beach (City). Pursuant to those agreements, the City and the State would trade ownership of a City-owned parcel at the corner of Magnolia Avenue and Third Street in Long Beach for the now-State-owned Long Beach Courthouse. The State would then cause a new courthouse to be built on the former City property, and lease back the existing courthouse until the new courthouse would be completed, at which point, the City would have total control of the property where the existing

courthouse is situated. Because of the County's rights to occupy the existing courthouse, these City-State agreements are inconsistent with the Joint Occupancy Agreement, unless it is amended.

The attached Amendment No. 1 to the Joint Occupancy Agreement requires the County to agree that its rights are subordinated to the lease between the City and the State, essentially requiring the County to fully vacate the existing courthouse when the new courthouse is ready for occupancy, the Superior Court moves out and the City takes control of the property. Because the 39,403 usable square feet guaranteed to the County in the new courthouse is based on County occupancy in the existing courthouse and is insufficient to meet projected County needs, including a new home for the Probation Department's Long Beach field office, the Amendment provides that the State will ensure that the additional 35,025 usable square feet that we estimate is needed is made available to the County in the new courthouse at market rent for similar office space in the Long Beach area.

While the County is allowed, but not required, to occupy the full area allocated to it in the new courthouse, the Amendment ensures that the County departments, including District Attorney, Public Defender, Alternate Public Defender, Sheriff, and Probation, are neither left scrambling for new space or paying unreasonable amounts of rent or operating costs in the existing courthouse if the County is the only tenant left in the building.

At this time, we are planning to move forward with the 74,428 usable square feet of space in the new courthouse, which we expect to occupy under a lease, and will be returning to your Board at the appropriate time when the lease is prepared.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide the public with beneficial and responsive services (Goal 1). Amendment No. 1 to the Long Beach Joint Occupancy Agreement will support the County's efforts to maintain efficient and effective court-related County services in the Long Beach area to the benefit of the public.

FISCAL IMPACT/FINANCING

Currently, the County spends, on a net basis, approximately \$0.6 million for operations and maintenance at the existing courthouse. When a new courthouse is completed by the State, one of the following scenarios will occur:

- Having executed Amendment No. 1, the County relocates along with the Superior Court to the new courthouse (recommended): Under this scenario, the County will be responsible for all rent, guaranteed by the Amendment to be offered at market rates, and, if not included in the rental rate, all operations and maintenance costs in the new building, also at market rates, except that, for the first 39,403 usable square feet of space, the County will have the benefit of all related common area at no additional rental cost. Under this scenario, lease costs, including operations and maintenance, are estimated between \$2.0 and \$3.5 million per year, an increase of between \$1.4 and \$2.9 million in addition to approximately \$6-\$7 million in one-time tenant improvement costs. These additional costs would be partially offset by savings from vacating current leases, approximately \$0.3 million annually.
- Having executed Amendment No. 1, the County relocates all or part of its staff to office space near the new courthouse (not recommended): Under this scenario, costs would be similar to those of occupancy in the new courthouse, except that the County would forego the discount guaranteed by the State for the first 39,403 square feet of space. However, not only would nearby office be difficult to procure on a timely basis, particularly for the Probation Department field office, but the efficiency and effectiveness of prosecution and defense services, as well as of the Superior Court, would be reduced if those departments are not collocated in the new courthouse.
- The County remains in the existing courthouse and does not execute Amendment No. 1 (not recommended): Under this scenario, costs would theoretically increase only by inflation. Under the existing Joint Occupancy Agreement, even if the Superior Court moves out, the County remains responsible for only 24 percent of operations and maintenance costs. However, this situation would undermine the State's ability to build the new courthouse within the next several years, and would jeopardize the County's ability to provide efficient and effective court-related services. (Note that the County has no right to remain in the existing courthouse beyond 45 days after the State vacates, if the County executes Amendment No. 1.)

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

For several years prior to the execution in June 2007 of the Transfer Agreement and Joint Occupancy Agreement for the Long Beach Courthouse, the City of Long Beach has led planning efforts to locate a new courthouse within its downtown area. The City determined that a City-owned property on the corner of Magnolia Avenue and Third

Street, one block inland from the existing courthouse, would be the most favorable location, and the City and Judicial Council have agreed to pursue building of a new courthouse on that property. In order to facilitate the project, the City and the Judicial Council came to an accord on the terms of an Agreement for the Exchange of Real Property, wherein the City would become the owner of the existing courthouse, contingent upon approval by the County and the Judicial Council of an amendment to the Joint Occupancy Agreement. Additionally, in September 2009, the Judicial Council and the City entered into a lease, wherein the Judicial Council would lease the existing courthouse from the City. Once that lease was executed by both parties, the AOC began working with the Chief Executive Office to negotiate the amendment to the Joint Occupancy Agreement, resulting in the attached Amendment No. 1.

Based in part on their current fiscal situation, the State legislature determined that the new Long Beach Courthouse capital project would be effected through a design-build/lease-leaseback agreement with a developer consortium. Thus, the new courthouse property will be owned by the State, and leased to a not-yet-chosen developer, built and operated by that developer, and leased back to the Judicial Council and to the County separately for up to 35 years, at which point, the State will assume ownership of the property. The required length of the County's tenancy is not fixed, but the Judicial Council has guaranteed the County's right for the first 39,403 usable square feet, through the Agreement for Compensation for Equity Interest, approved by your Board in February, 2008. The Judicial Council is committing to provide the additional 35,025 usable square feet via the attached Amendment No. 1.

ENVIRONMENTAL DOCUMENTATION

The recommended actions are categorically exempt from the provisions of CEQA pursuant to Section 15301 of the State CEQA Guidelines, since the Long Beach Courthouse is an existing public facility, and the recommended actions involve no expansion of use of the facility.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Inasmuch as the State will continue to operate the Long Beach Courthouse during the entire operable period of this Amendment No. 1, there is no significant impact in the levels or quality of services provided to County constituents.

**AMENDMENT NO. 1 TO THE JOINT OCCUPANCY AGREEMENT
FOR THE LONG BEACH COURTHOUSE**

THIS AMENDMENT NO. 1 TO THE JOINT OCCUPANCY AGREEMENT FOR THE LONG BEACH COURTHOUSE (this "**JOA Amendment**") is made and entered into the 20TH day of APRIL, 2010 (the "**Effective Date**") by and between the Judicial Council of California, an entity established by the Constitution of the State of California (the "**Council**"), by and through the Administrative Office of the Courts, the staff agency to the Council (the "**AOC**"), and the County of Los Angeles, a body corporate and politic (the "**County**").

RECITALS

A. Pursuant to that certain Transfer Agreement between the Council and the County for the Transfer of Responsibility for and Title to the Long Beach Courthouse, which the County has identified as County Agreement No. 76184, dated June 19, 2007, (the "**Transfer Agreement**"), the County conveyed to the State of California (the "**State**") title to the Real Property (as defined in the Transfer Agreement) by quitclaim deed recorded on April 15, 2008 as Document No. 20080646034, of Official Records, in the office of the Registrar-Recorder/County Clerk of the County of Los Angeles.

B. The Council and the County entered into that certain Joint Occupancy Agreement for the Long Beach Courthouse, which the County has identified as County Agreement No. 76185, dated June 19, 2007 (the "**JOA**"), to set forth the terms governing the Parties' respective rights and responsibilities regarding their shared possession, occupancy, and use of the Real Property.

C. Pursuant to that certain Agreement for Compensation for Equity Interest between the Council and the County, which the County has identified as County Agreement No. 76467, dated February 6, 2008 (the "**Equity Compensation Agreement**"), the Council has paid the County the Compensation (as defined therein) for its Equity interest in the Real Property.

D. Pursuant to an Agreement for the Exchange of Real Property and Escrow Instructions dated September 17, 2009 (the "**Exchange Agreement**") between the Council and the Redevelopment Agency of the City of Long Beach (the "**Agency**"), the State, concurrently herewith, is conveying the Real Property to the Agency, and the

Agency and the Council are entering into a Lease ("**Lease**"), a copy of which is attached as **Attachment "1,"** whereby the Agency leases the entire Real Property to the Council.

E. The Parties contemplate that the Replacement Courthouse (as defined in the Equity Compensation Agreement) will be built on certain property to be acquired by the Council from the Agency pursuant to the Exchange Agreement. The Parties further acknowledge that the Council and the AOC shall require and ensure that the Developer (as defined in the Equity Compensation Agreement) of the Replacement Courthouse make the Replacement Space (as defined in the Equity Compensation Agreement) available to the County pursuant to Section B of the Equity Compensation Agreement.

F. The Council and the County now desire to amend the JOA, as set forth in this JOA Amendment.

NOW THEREFORE, the County and the Council do hereby agree as follows:

1. SUBORDINATION TO LEASE

1.1 Subordination. The Parties acknowledge and agree that the rights of the Parties under the JOA are subject and subordinate to the Lease.

1.2 Compliance by County. The County shall exercise its rights to use and occupy the County Exclusive-Use Area and its nonexclusive right to use the Common Area in such a manner as will not cause any default under the Lease as it exists on the Effective Date of this JOA Amendment. Except for the foregoing, nothing herein or in the Lease shall expand the County's existing obligations or reduce the County's rights under the Transfer Agreement or the JOA. The Council and AOC shall reasonably cooperate with the County by enforcing the provisions of the Lease relevant to the County's rights under the JOA, for the County's benefit.

1.3 Compliance by Council; No Material Amendment. The Council shall pay all Rent due under the Lease, shall comply with the terms and conditions of the Lease and shall perform all obligations of the Tenant thereunder. The Council shall not amend, modify or alter any terms or conditions of the Lease in a manner that materially affects the rights of the County under the JOA.

2. DEFINITIONS

2.1 Amended and Restated Definitions. The following definitions in section 2 of the JOA are deleted in their entirety and replaced with the following:

"Owner," for the purposes of the JOA only, means the County prior to the Title Transfer Date, and the State after the Title Transfer Date.

“Term” means the term of the JOA, which commences on the Responsibility Transfer Date and continues indefinitely until the earlier of: (1) the Parties enter into a Termination Agreement, or (2) the Lease terminates after both Parties vacate the Real Property. In the event that the Lease is terminated by reason of the State’s re-acquisition of fee title to the Real Property, the JOA shall continue in full force and effect, but shall be amended by the parties to reflect that the Lease is no longer in effect. .

3. MANAGING PARTY, COMMON AREA DELEGATION

The Parties acknowledge and agree that, as of the date of this JOA Amendment, the Council has assumed all of the rights and responsibilities of Managing Party under the JOA, and the Common Area Delegation set forth in Section 3.2.2.2 of the JOA has been terminated by mutual agreement. The Parties further acknowledge and agree that, as of the date of this JOA Amendment, the County is managing a portion of County Auto Park 67A and utilities and energy management services for the Long Beach Courthouse under separate agreements between the Parties.

4. OWNER DUTIES

Notwithstanding the transfer of fee ownership of the Real Property to the Agency, the Parties acknowledge and agree that for purposes of the JOA only, the Council shall continue to hold the rights and responsibilities of Owner and the County shall continue to hold the rights and responsibilities of the Non-Owning Party.

5. LEASES, OCCUPANCY AGREEMENTS, AGREEMENTS WITH CONTRACTORS

Notwithstanding anything to the contrary contained in the JOA, the Parties agree that (a) any Occupancy Agreement and (b) any agreement with any Contractor shall be expressly subordinate to the terms and conditions of the Lease as it exists on the Effective Date of this JOA Amendment. Further, the Council shall cooperate with the County to obtain any required consents by the Agency, as landlord under the Lease, to any Occupancy Agreement or any agreement with any Contractor which the County desires to enter into, if such Occupancy Agreement or other agreement is allowable under the JOA.

6. VACATION OF THE BUILDING

The Council and the AOC shall require the Developer to design the Replacement Courthouse to include, in addition to the Replacement Space, at least 35,025 additional useable square feet of office space (the **“Additional Space”**), and to

make the Additional Space available to the County in the Replacement Courthouse wherein the consideration for basic rent, exclusive of normal operating costs, to be paid by the County for the Additional Space is a per-square-foot price that reflects fair rental value for rentable square feet in the Long Beach area for similarly situated Class A office properties of a similar age, subject to the County's discretion to reduce the Additional Space. If the Replacement Space and Additional Space in the Replacement Courthouse are completed, then the County shall vacate the Real Property within 45 days after the later of: (a) the date that the State Parties fully vacate the Real Property, or (b) one or more Certificate(s) of Occupancy for both the Replacement Space and the Additional Space have been issued by the building official for the City of Long Beach ("County Vacation Date").

7. DEFAULT UNDER THE LEASE

Prior to the County Vacation Date, the Council and the AOC shall not cause any default to remain uncured beyond any applicable notice or cure period, such that the Council and the AOC would no longer be entitled to exercise a Renewal Option under Section 4.2 of the Lease. If such uncured default under the Lease exists, which may reasonably be expected to remain uncured during the County's occupation of the Real Property prior to the County Vacation Date, the County may give written notice to the Council and the AOC that the County intends to cure such default. If the Council or AOC fail to cure the default within ten (10) days after receipt of such notice, the County may, at its sole option, cure such default, and the Parties shall be jointly responsible for all costs of such cure pursuant to the provisions of the JOA.

8. LEASE TERMINATION

Notwithstanding Section 4.3 of the Lease, the Council and the AOC shall not terminate the Lease prior to the County Vacation Date in a manner inconsistent with the County's rights under the JOA, without the prior written consent of the County. For the avoidance of doubt, termination of the Lease by reason of the State's re-acquisition of fee title to the Real Property shall not be deemed inconsistent with the County's rights under the JOA.

9. PROPERTY MANAGEMENT AND PAYMENT OF COSTS AFTER COUNTY VACATION DATE

If the County fails to fully vacate the Real Property by the County Vacation Date, then, from and after the County Vacation Date, (a) the County shall be the Managing Party under the JOA and shall be responsible for Operation of the Real Property; (b) the "Council Share" as defined in the JOA shall mean 0 percent, (c) the

“County Share” as defined in the JOA shall mean 100 percent, and (c) the County shall bear all costs of Operation of the Real Property and payment of all Rent (as defined in the Lease, including Rent payable during any Renewal Term) payable under the Lease as it exists as of the Effective Date of this JOA Amendment to the extent arising from and after the County Vacation Date, until the County provides notice to the City of Long Beach that the County has vacated the Real Property.

10. COURTHOUSE PARKING STRUCTURE

The Parties acknowledge and agree that the County provided the Provided Superior Court Parking as an interim measure until such time as the Parties were able to transfer responsibility for County Auto Park 67B to the Council under the Act. The Parties’ respective rights and obligations with respect to County Auto Park 67B, located at 101 Magnolia Avenue, Long Beach, California are now governed by that certain Joint Occupancy Agreement Between the Council and the County for the Long Beach Courthouse Parking Structure, identified by the County as Agreement No. 76906, dated December 16, 2008. Therefore, Section 3.3.2 of the JOA and all references to the Provided Superior Court Parking are deleted and of no further force or effect as of December 16, 2008.

11. MISCELLANEOUS

11.1 No Other Changes. Except as it is expressly amended pursuant to this JOA Amendment, the JOA remains in full force and effect as originally signed and approved by the Council and the County.

11.2 Construction. The capitalized terms used in this JOA Amendment and not otherwise defined herein will have the meanings given to them in the JOA.

11.3 Signature Authority. The Council and the County each certify that the individual signing this JOA Amendment on its behalf is duly authorized and empowered to do so.

11.4 Memorandum. The Parties shall execute and acknowledge the Memorandum of Transfer and Joint Occupancy Agreements in the form and content attached to this Agreement as **Attachment “2”** and the AOC shall cause the Memorandum of Transfer and Joint Occupancy Agreements to be recorded in the Official Records, in the office of the Registrar-Recorder/County Clerk of the County of Los Angeles.

IN WITNESS WHEREOF, the Parties enter into this JOA Amendment as of the Effective Date of this JOA Amendment.

LEASE

THIS LEASE (this "Lease") dated _____, 20__ (the "Effective Date") is made by and between THE REDEVELOPMENT AGENCY OF THE CITY OF LONG BEACH, a public body, corporate and politic ("Landlord"), and THE JUDICIAL COUNCIL OF CALIFORNIA, acting through the ADMINISTRATIVE OFFICE OF THE COURTS ("Tenant"), for the benefit of the Superior Court of California, County of Los Angeles (the "Court").

1. BACKGROUND

1.1. Immediately prior to the Effective Date, the State of California (the "State"), on behalf of Tenant, was the fee owner of an approximately 3.7726 acre parcel of improved real property (the "Land") in the City of Long Beach (the "City"), County of Los Angeles, State of California, improved by a courthouse building commonly known as the Long Beach Courthouse (the "Building"), and subterranean and surface parking, landscaping and related improvements (the Land, Building, parking areas, landscaping, all other improvements, collectively, the "Premises"), located at 415 West Ocean Boulevard, Long Beach, California, as more specifically described in Exhibit A, and as generally depicted in the site plan attached as Exhibit B. The State acquired title to the Premises from the County of Los Angeles (the "County") by quitclaim deed recorded on April 15, 2008 in the Official Records of Los Angeles County as Document No. 20080646034, pursuant to the Trial Court Facilities Act of 2002, as amended, and pursuant to the terms and conditions of a Transfer Agreement between Tenant and the County dated June 19, 2007 (the "Transfer Agreement").

1.2. Pursuant to a separate Agreement for the Exchange of Real Property and Escrow Instructions dated _____, 2009 ("Exchange Agreement") between Landlord and Tenant, Tenant shall have conveyed the Premises to Landlord on the Effective Date of this Lease.

1.3. Tenant and the County are parties to a certain Joint Occupancy Agreement dated as of June 19, 2007 (the "Original JOA") which addresses the respective rights and obligations of Tenant and the County with respect to the use, operation and maintenance of the Premises. Concurrently herewith, Tenant and the County shall enter into a an amendment to the Original JOA (the "JOA Amendment," and, together with the Original JOA and any further amendments made thereto from time to time, the "JOA") pursuant to which the JOA shall be subordinated to this Lease and the County shall retain the same rights and obligations with respect to its use, operation and

Attachment "1"

maintenance of certain portions of the Premises as the County had under the Original JOA.

2. LEASE OF PREMISES

Subject to the terms, covenants and conditions set forth in this Lease, Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Premises.

3. ACCEPTANCE

Tenant is familiar with all aspects of the Premises and is satisfied that it is in an acceptable condition and meets Tenant's needs. Tenant does not rely on, and Landlord does not make, any express or implied representations or warranties as to any matters including, without limitation, (a) the physical condition of the Premises, including without limitation the structural components of any improvements or any building systems within or serving the improvements, (b) the existence, quality, adequacy or availability of utilities serving the Premises or any portion thereof, (c) the use, habitability, merchantability, fitness or suitability of the Premises for Tenant's intended use, (d) Hazardous Materials on, in, under or around the Premises, (e) zoning, entitlements or any laws, ordinances or regulations which may apply to Tenant's use of the Premises, or (f) any other matter whatsoever. Landlord makes no representations or warranties whatsoever regarding the Premises. Tenant accepts the Premises in their existing "AS-IS", "WHERE-IS" condition, and "WITH ALL FAULTS".

4. TERM

4.1. **Term.** The Premises are leased for a term (the "Term") commencing on the Effective Date ("**Commencement Date**") and expiring on the earlier of (a) 30 days after Tenant vacates the Premises and delivers written notice to Landlord that it has vacated the Premises, or (b) on the last day of the fifth (5th) year after the Commencement Date (the "**Expiration Date**"). The Term shall end on the Expiration Date, or such earlier date on which this Lease terminates pursuant to its terms. The date upon which this Lease actually terminates, whether by expiration of the Term, the Renewal Term or earlier termination pursuant to the terms of this Lease, is sometimes referred to in this Lease as the "**Termination Date**."

4.2. **Renewal Option.** Tenant shall have five options (each, a "**Renewal Option**") to extend the Term of this Lease for an additional one-year term (each, a "**Renewal Term**"). Each Renewal Term shall commence on the day after the expiration of the original Term or the preceding Renewal Term, as applicable. Tenant may not exercise a Renewal Option if a material uncured

Attachment "1"

default by Tenant exists, either at the time of exercise of the Renewal Option or the time of commencement of the applicable Renewal Term. Each Renewal Option must be exercised, if at all, by written notice from Tenant to Landlord given not more than nine (9) months and not less than three (3) months prior to the expiration of the Term. Each Renewal Term shall be upon the same terms and conditions as the original Term, except that (a) the Base Rent payable pursuant to Section 5.1 with respect to the Renewal Term shall be equal to the Prevailing Market Rent as of the commencement of the first Renewal Term, as determined pursuant to Exhibit C, and (b) from and after the exercise of the Renewal Option, (i) all references to "Expiration Date" shall be deemed to refer to the last day of the Renewal Term, and (ii) all references to "Term" shall be deemed to include the Renewal Term. Notwithstanding the above, a Renewal Term shall expire on the earlier of (y) one (1) year after commencement of such Renewal Term or (z) one hundred twenty (120) days following the date the State Fire Marshall provides written approval of occupancy of the new Courthouse Project (as defined in the Exchange Agreement).

4.3. Termination Right. Tenant shall have the right to terminate this Lease at any time during the Term or any Renewal Term upon thirty (30) days prior written notice to Landlord.

5. RENT

5.1. Rent. As consideration for the lease of the Premises, Tenant agrees to pay during the Term, Base Rent ("**Base Rent**") in the amount of One Dollar (\$1.00) per year payable in arrears, Operating Costs, and all other charges and expenses associated with Tenant's use and operation of the Premises (collectively, "**Rent**"). During the Renewal Term, if any, Base Rent shall be determined as set forth in Section 4.2, and shall be payable in equal monthly installments, payable each month of the Renewal Term in arrears.

5.2. Operating Costs. Tenant shall pay when due any and all costs of administration, management, maintenance, repair, replacement, use, occupancy or enjoyment of the Premises (collectively, "**Operating Costs**"). Tenant shall pay all Operating Costs directly, and shall contract directly for all required services, utilities (including without limitation water, gas, electricity, sewer service, waste pick-up, telephone and other electronic telecommunication services) and other items described herein.

6. USE OF PREMISES

Tenant may use and occupy the Premises during the Term for the operation of a courthouse, including parking and all related use, and for any other lawful use.

7. NET LEASE; NO COUNTERCLAIM OR ABATEMENT.

The Rent due hereunder shall be absolutely net to Landlord and shall be paid without assertion of any counterclaim, offset, deduction or defense and without abatement, suspension, deferment or reduction (except as otherwise provided in this Lease). Landlord shall not be expected or required under any circumstances or conditions whatsoever to make any payment of any kind with respect to the Premises or be under any obligation or liability hereunder, except if and solely to the extent expressly so provided elsewhere in this Lease.

8. REPAIR AND MAINTENANCE; NO LANDLORD RIGHT OF ENTRY

8.1. Repair and Maintenance. Tenant shall maintain the Premises in substantially as good order and repair as on the Commencement Date, reasonable wear and tear, damage by casualty and condemnation excepted. Landlord shall not be obligated to make any repairs, replacements or renewals of any kind, nature or description whatsoever to the Premises or the improvements (except to the extent caused by Landlord's willful misconduct or gross negligence), and Tenant hereby expressly waives any right to terminate this Lease and any right to make repairs at Landlord's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code, or any amendments thereof, or any similar law, statute or ordinance now or hereafter in effect.

8.2. No Right of Entry. Landlord acknowledges that due to operation of the Premises for court and court-related facilities, Tenant has strict statutory and other security responsibilities with respect to operation of the Premises. Therefore, Landlord relinquishes all rights of entry into the Building during the Term, except upon reasonable prior notice. Landlord shall be escorted by Tenant during any permitted entry.

9. ALTERATIONS

9.1. Alterations by Tenant. Tenant may make alterations, installations, additions or improvements, structural or otherwise (collectively, "Alterations") in, to or about the Premises without Landlord's prior written consent. All Alterations shall be done at Tenant's sole cost and expense, including without limitation the cost and expense of obtaining any permits and approvals required for any Alterations.

9.2. Ownership of Improvements. Except as provided in Section 9.3, all Alterations, and any other appurtenances, fixtures, improvements, equipment, additions and property permanently attached to or installed in or on the

Attachment "1"

Premises at the commencement of or during the Term, shall at the end of the Term become Landlord's property without compensation to Tenant.

9.3. Tenant's And County's Property. All interior improvements, fixtures, furniture, trade fixtures, furnishings, equipment (including telecommunications and computer network equipment), interior and exterior works of art and articles of personal property installed in or on the Premises by or for the account of Tenant before or after the Commencement Date, and which can be removed without structural damage to the Premises (collectively, "**Tenant's Property**") shall be and remain the property of Tenant and may be removed by it at any time during the Term, so long as Tenant restores the Premises to a safe condition after any such removal. All interior improvements, fixtures, furniture, trade fixtures, furnishings, equipment (including telecommunications and computer network equipment) and articles of personal property installed in or on the Premises by or for the account of County before or after the Commencement Date, to the extent not owned by Tenant, and which can be removed without structural damage to the Premises (the "**County's Property**"), shall be and remain the property of the County and may be removed by it at any time during the Term so long as Tenant restores the Premises to a safe condition after any such removal. Tenant's Property includes, without limitation, fixtures and improvements to courtrooms such as jury boxes, judges' daises, podiums, security devices and security systems. County's Property includes, without limitation, the County's telecommunication system existing on the Premises as of the Commencement Date, including wiring, switches, routers, optical fibers, power supplies, cable modems and antennas. Any items of Tenant's Property or the County's Property which remain in the Premises after the Termination Date may, on thirty (30) days prior written notice to Tenant or County, as applicable, at the option of Landlord, be deemed abandoned and in such case may either be retained by Landlord as its property or be disposed of, without accountability, at Tenant's expense (or, with respect to the County Property, at County's expense) in such manner as Landlord may see fit.

9.4. Long Beach Courthouse Structural Retrofit Project. Nothing contained in this Lease shall be interpreted to relieve Tenant or the County of Los Angeles of their respective obligations under the Transfer Agreement or the Trial Court Facilities Act of 2002, as amended, including but not limited to the obligation to complete the Long Beach Courthouse Structural Retrofit Project, C.P. 86497.

10. LIENS

Tenant shall keep the Premises free from any liens arising out of any work performed, material furnished or obligations incurred by or for Tenant. Landlord shall have the right at all times to post and keep posted on the Premises any

Attachment "1"

notices permitted or required by law or that Landlord shall deem proper for the protection of Landlord and the Premises from mechanics' and materialmen's liens.

11. COMPLIANCE WITH LAWS

Tenant, at Tenant's cost and expense, shall comply with all applicable laws, statutes, codes, ordinances, orders, rules, regulations, conditions of approval, and requirements, of all federal, state, county, municipal and other governmental authorities with jurisdiction applicable to the Premises or the use, operation or occupancy of the Premises, whether now existing or hereafter enacted (collectively, "Applicable Laws").

12. INDEMNITY

12.1. Indemnity. Subject to Section 12.2, Tenant shall indemnify, protect, defend and save and hold Landlord and the Landlord Parties harmless from and against any and all losses, costs, liabilities, claims, judgments, liens, damages and expenses incurred in connection with or arising from: (a) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease on Tenant's part to be observed or performed, (b) the use or occupancy or manner of use or occupancy of the Premises by Tenant, its subtenants, licensees or concessionaires during the Term, and (c) any claims by any subtenants, licensees or concessionaires of Tenant that they qualify as "Displaced persons" pursuant to California Government Code Section 7260 (and the applicable rules, regulations and guidelines) resulting from the termination of their sublease, license or concession agreement, and are entitled to relocation assistance and benefits, (d) any claims by any subtenants, licensees or concessionaires of Tenant for loss of goodwill resulting from the termination of their sublease, license or concession agreement and (e) the release during the Term of any Hazardous Substances in violation of Environmental Laws on, in, under or from the Premises. Tenant's obligations under this Section shall survive the expiration or earlier termination of this Lease. Notwithstanding anything to the contrary contained in this Lease, Landlord shall not be indemnified for any losses, damages, liabilities, judgments, actions, claims, attorneys' fees, costs and expenses arising from the gross negligence or willful misconduct of Landlord or Landlord's Parties.

12.2. No Liability for Certain Matters. Landlord acknowledges that the Transfer Agreement and the Trial Court Facilities Act allocates certain liabilities, responsibilities and obligations relating to the Premises to the County, including without limitation responsibility for "Security-Related Areas" (as defined in Section 3 of the Transfer Agreement), seismic issues and certain matters relating to equipment in the Existing Courthouse. Notwithstanding anything to the contrary contained in this Article 12 or any other provision of this

Attachment "1"

Lease, Landlord acknowledges and agrees that Tenant shall have no liability, obligations or responsibilities, and Landlord shall not have any claims against Tenant with respect to (i) security matters in the Security-Related Areas, and (ii) seismic events for which the County is responsible under the Transfer Agreement or Section 70324 of the Trial Court Facilities Act. Tenant shall cooperate with Landlord in enforcing, for Landlord's benefit, any of the County's obligations under the Sublease, the JOA, the Transfer Agreement or the Executed Consent Decree; provided that Tenant shall not in any circumstances be obligated to commence or prosecute any litigation or other formal dispute resolution proceeding other than as set forth in Section 11 of the JOA.

13. ASSIGNMENT AND SUBLETTING

13.1. **Assignment.** Tenant shall not assign all or any part of its interest in or rights with respect to the Premises or its leasehold estate (collectively, "**Assignment**"), without Landlord's prior written consent, which shall not be unreasonably withheld, conditioned or delayed.

13.2. **Sublease.** Tenant shall have the right to sublet or license all or any portion of the Premises and to otherwise permit all or any portion of the Premises to be occupied by other persons (collectively, "**Sublease**") without Landlord's prior written consent, provided that any such Sublease shall terminate on the Termination Date. Without limiting the generality of the foregoing, Landlord acknowledges that the County shall occupy and have the right to use certain portions of the Premises pursuant to the terms and conditions of the JOA. The JOA and all existing and future subleases, licenses and concessions, and any other rights to occupancy, shall be subject and subordinate to this Lease.

Landlord acknowledges that prior to the date of this Lease, Tenant, as owner of the Premises, had entered into certain leases, licenses and occupancy agreements (collectively, "**Existing Occupancy Agreements**") including the JOA and a certain lease Agreement dated August 3, 2004 between Tenant, as Assignee of County, and the City for 162 parking spaces on the surface parking lot located on the Premises (the "**City Parking Lease**"). Tenant shall be entitled to all rents, proceeds and revenues from the Existing Occupancy Agreements. In addition, Agency shall cooperate to cause the City to subordinate the City Parking Lease to the terms and conditions of this Lease, and to enter into any modification of the City Parking Lease reasonably required by Tenant in order to effectuate such subordination and to conform to the terms and conditions of this Lease.

14. DEFAULT

14.1. **Default.** Tenant or Landlord shall be in default under this Lease if such party fails to perform its obligations under this Lease within thirty

Attachment "1"

(30) days after written notice by the non-defaulting party, specifying the failure to perform; provided, however, that if the nature of Landlord's obligations is such that more than thirty (30) days are required for performance, then the party shall not be in default if the party commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion.

14.2. Budget Delay. Notwithstanding anything in this Lease to the contrary, a default by Tenant shall not occur if Tenant is unable to perform any Tenant obligation under this Lease due solely to the State's failure to timely approve and adopt a State budget. Upon the approval and adoption of the State budget Tenant shall promptly proceed to perform such obligations including, without limitation, payment of past due Rent.

14.3. Remedies. Upon the occurrence of a default as described in Section 14.1, each party shall have all rights and remedies available at law and in equity.

15. LIMITATION OF LANDLORD'S LIABILITY

Landlord shall not be responsible for or liable to Tenant and Tenant hereby releases Landlord, waives all claims against Landlord and assumes the risk for any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever (other than Landlord's gross negligence or willful misconduct) including, without limitation, (a) theft or vandalism, (b) burst, stopped or leaking water, gas, sewer or steam pipes, (c) loss of utility service, (d) accident, fire or casualty, (e) and nuisance.

16. DESTRUCTION

16.1. Damage or Destruction; Duty to Restore. If the Premises or the improvements, or any portion thereof, are damaged or destroyed at any time during the Term and this Lease is not terminated in accordance with this Article 16, Tenant, as promptly as practicable and with all due diligence (given the time required to obtain insurance proceeds and to obtain construction permits), shall cause the repair, reconstruction and replacement of the improvements to a safe condition. Tenant shall have the right, in its sole discretion, to make any further repairs, reconstruction, replacements or alterations as Tenant may elect in its sole discretion.

16.2. Option to Terminate Upon Damage or Destruction. In the event of any damage to or destruction of the Premises or the improvements or any portion thereof at any time during the Term, if (a) the time period reasonably required to repair and restore the same to substantially the same condition as existed immediately prior to such occurrence is reasonably estimated by Tenant to

Attachment "1"

exceed one hundred eighty (180) days, or (b) such damage or destruction materially interferes with Tenant's intended use of the Premises, as determined by Tenant, or (c) if such damage or destruction occurs during the last twelve months of the Term, then Tenant shall have the option to terminate this Lease, exercisable as provided below. Tenant may exercise its option to terminate this Lease pursuant to this Article 16 by giving written notice to Landlord. If Tenant elects to terminate this Lease pursuant to this Article 16, Tenant shall surrender the Premises to Landlord in accordance with the provisions of Article 18, except to the extent the damage or destruction prevents Tenant from so doing.

17. EMINENT DOMAIN

17.1. **Taking.** If all or any part of the Premises shall be taken as a result of the exercise of the power of eminent domain or any transfer in lieu thereof, this Lease shall terminate as to the part so taken as of the date of taking or as of the date of final judgment, whichever is earlier. If the extent and nature of a partial taking substantially handicaps, impedes or impairs Tenant's use of the balance of the Premises, as determined by Tenant, Tenant shall have the right to terminate this Lease as to the balance of the Premises by written notice to Landlord within thirty (30) days after such date.

17.2. **Award.** In the event of any taking, Landlord shall be entitled to any and all compensation, damages, income, rent, awards, or any interest therein whatsoever which may be paid or made in connection therewith, and Tenant shall assign to Landlord any right to compensation or damages for the condemnation of its leasehold interest; provided that Tenant is entitled to any compensation for (a) Tenant's relocation expenses, and (b) the taking of Tenant's Property, and the County is entitled to compensation for (x) County's relocation expenses and (y) the taking of the County's Property.

(a) In the event of a partial taking of the Premises which does not result in a termination of this Lease, Landlord shall repair, restore or reconstruct the Premises to a useable state; provided that Landlord shall not be required to expend any sums other than those received pursuant to Section 17.2.

(b) During the period between the date of the partial taking and the completion of any necessary repairs, reconstruction or restoration, Tenant shall be entitled to a reduction of Rent by a proportionate amount based upon the extent of interference with Tenant's operations in the Premises.

17.3. **Sale in Lieu of Condemnation.** A voluntary sale by Landlord of all or any part of the Premises to any public or quasi-public body, agency or person, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are

Attachment "1"

pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article.

18. SURRENDER

18.1. Surrender. Upon the Termination Date, Tenant shall surrender the Premises to Landlord in substantially as good order and repair as on the Commencement Date, wear and tear, casualty and condemnation excepted.

18.2. Holding Over. Any holding over after the expiration of the Term with the consent of Landlord shall be construed to automatically extend the Term on a month-to-month basis under the same terms as the Lease.

19. SIGNS

Tenant shall have the right, at Tenant's sole cost and expense, to install signage on the Premises, subject to compliance with all Applicable Laws. Any signage shall be removed by Tenant at the expiration or earlier termination of this Lease if so required by Landlord.

20. QUIET ENJOYMENT

Landlord covenants that so long as Tenant is not in default of its obligations under this Lease beyond expiration of any applicable notice or cure period, upon paying the Rent and performing all of its obligations under this Lease, Tenant shall peaceably and quietly enjoy the Premises, subject to the terms and provisions of this Lease.

21. AUTHORITY

21.1. Tenant represents and warrants as follows: (a) Tenant has the power, legal capacity and authority to enter into and perform its obligations under this Lease; (b) the execution and performance of Tenant's obligations under this Lease will not violate any provision of any agreement, obligation, or court order, to which Tenant is a party or by which Tenant or any of its property is subject or bound; and (c) no other action of any governmental authority is required for, and Tenant has no knowledge of any Applicable Law in effect that would prohibit, Tenant's execution, delivery, or performance of its obligations under this Lease.

22. BROKERS

Landlord and Tenant each warrant that no broker other than Tenant's Broker has been involved in the procurement of this Lease, and each party hereby agrees to indemnify, defend and hold the other harmless from and against any and all liabilities arising from any breach of the foregoing warranty or any claims by a third party for a brokerage commission or finder's fee arising out of this transaction.

23. MEMORANDUM OF LEASE

Concurrently with execution of this Agreement, the parties will execute, cause to be notarized, a Memorandum of Lease in the form attached hereto as **Exhibit D** and shall cause the Memorandum to be recorded in the office for the County Recorder.

EXHIBIT B to LEASE

EXHIBIT C [TO LEASE]

Determination of Prevailing Market Rent

The term "*Prevailing Market Rent*" means the base monthly rent per rentable square foot (net of all expenses arising from ownership, maintenance or use of the Premises) for direct leases from the landlord (as opposed to subleases) of space of comparable size and location to the Premises and in buildings similar in age and quality to the Premises for a comparable term, taking into account any additional rent and all other payments or escalations then being charged and allowances and economic concessions being given for comparable space over a comparable term. The Prevailing Market Rent shall be determined as follows:

(a) Within thirty (30) days following Tenant's notice to Landlord that Tenant intends to renew this Lease for the Renewal Term, Landlord and Tenant shall meet no less than two (2) times, at a mutually agreeable time and place, to attempt to agree upon the Prevailing Market Rent.

(b) If within this 30-day period Landlord and Tenant cannot reach agreement as to the Prevailing Market Rent, they shall each select one appraiser to determine the Prevailing Market Rent. Each such appraiser shall arrive at a determination of the Prevailing Market Rent and submit his or her conclusions to Landlord and Tenant within thirty (30) days after the expiration of the 30-day consultation period described in (a) above.

(c) If only one appraisal is submitted within the requisite time period, it shall be deemed to be the Prevailing Market Rent. If both appraisals are submitted within such time period, and if the two appraisals so submitted differ by less than ten (10) percent of the higher of the two, the average of the two shall be the Prevailing Market Rent. If the two appraisals differ by more than ten (10) percent of the higher of the two, then the two appraisers shall immediately select a third appraiser who will within thirty (30) days of his or her selection make a determination of the Prevailing Market Rent and submit such determination to Landlord and Tenant. This third appraisal will then be averaged with the closer of the previous two appraisals and the result shall be the Prevailing Market Rent.

(d) All appraisers specified pursuant hereto shall be members of the Appraisal Institute (MAI) with not less than five (5) years experience appraising office, research and development and industrial properties in the Los Angeles/Long Beach area. Each party shall pay the cost of the appraiser selected by such party and one-half of the cost of the third appraiser plus one-half of any other costs incurred in the determination.
